“Humble Manga Bundle x Kodansha Comics: Manga to Anime”—80 digital volumes of the biggest hits in manga to go on sale June 6

*Buyers pay what they want for manga hits that went on to become anime and live-action legends, including *The Ghost in the Shell* and *Battle Angel Alita**

San Francisco, Calif. (June 5, 2018)—Starting tomorrow June 6, Kodansha Comics will be making available a cache of legendary science-fiction and fantasy manga in the “[Humble Manga Bundle x Kodansha Comics: Manga to Anime](#)” in partnership with [Humble Bundle](#).

The offering amounts to over \$800 worth of digital manga, or 80 complete volumes of manga that have gone on to be adapted into hit anime or live-action movies, including *The Ghost in the Shell*, *Battle Angel Alita*, *The Seven Deadly Sins*, *Ajin: Demi-Human*, and *Inuyashiki*. The actual cost of the bundle is based on Humble Bundle’s unique pay-what-you-want charitable model.

The manga comes in multiple formats including CBZ, PDF, and ePub, so they can be read on computer, e-readers, iPads, cell phones, and a wide array of mobile devices. Bundle buyers choose where their money goes—among Kodansha Comics, two charities, and, if they like, a third charity of their choice via the PayPal Giving Fund. If they like what Humble Bundle does, they can leave a Humble Tip too.

This special bundle ends **WEDNESDAY, June 20, 10:59 A.M. PACIFIC TIME.**

Here’s what bundle buyers get with each tier:
